ISSUE-FEE PAYMENT CONFIRMATION

Sir:

In a review of the file maintained by Applicants' Attorney for the above patent application, it was determined that Applicants' Attorney inadvertently failed to sign and date the PTOL-85 Form submitted 20 December 2004 for paying the issue fee for this application. To the extent that it is not implicit from submission of the PTOL-85 Form, from submission of the various documents (including two amendments under 37 CFR 1.312) which accompanied the PTOL-85 Form and which were signed by Applicants' Attorney, and from the fact that Applicants' Attorney has prosecuted this application before the U.S. Patent and Trademark Office for over nine months, Applicants' Attorney hereby (a) confirms that the Director of the U.S. Patent and Trademark Office is authorized to charge Deposit Account 502641 for the issue fee for this application and for ten (10) copies of the patent or/and (b) authorizes the Director of the U.S. Patent and Trademark Office to so charge Deposit Account 502641. This confirmation or/and authorization is effective 20 December 2004.
